

Part 2 Changes for part 3

For part 3 I will add an Interactive map that will display on the contact us page

I will also add a Gallery lightbox that will display the pictures when you click them and also add an effect that hovers around the pictures

I added a different style for the light box which has a White background and black icons

I will also add a slide show that allows the user to move from one picture to another

I will also add SEO Title tags , SEO Meta Keywords, SEO Description and SEO Images:

These are the following SEO's I used:

```
<meta charset="UTF-8">
```

```
<meta name="viewport" content="width=device-width, initial-scale=1.0">
```

```
<meta name="description" content="BATUM OFFICIAL HOME PAGE">
```

```
<meta name="author" content="Sphiwe Nkateko Manganyi">
```

```
<meta name="keywords" content="HTML, CSS, JavaScript">
```

I have also added an Enquiry page and added a Form Enquiry.
