1. Organisation Overview

NAME: BATUM

Brief history

BATUM is a small retail clothing business founded with the vision of bringing stylish, affordable and high-quality fashion to the local community. BATUM has grown steadily by focusing on personal customer service and a passion for making fashion accessible to everyone. The business has established itself as a trusted name in clothing retail, blending modern trends with timeless styles.

Mission

Our mission is to provide affordable, stylish, and quality clothing that empowers individuals to express themselves confidently while delivering exceptional customer service.

Vision

To become a leading local clothing retailer known for innovation, inclusivity, and sustainability, expanding our reach while staying true to our community roots.

Target audience

Young adults who are fashion conscious and value affordability and quality.
